About This Manual

Your product may be covered by several different warranty policies. This manual explains each of those warranty policies and identifies the applicability of each policy to various Mercury Marine product. Each policy is described in a separate section:

1. **Warranty Coverage—Read First:** Contains warranty registration information and charts to identify which warranty policy applies to which product and the term of coverage for that policy. This section also defines diesel duty-cycle applications as they relate to warranty coverage.
2. **Mercury Marine Limited Warranty:** Defines the conditions of Mercury Marine's Limited Warranty. Terms are listed in the **Read First** section. This section also explains how to transfer warranty coverage.
3. **Limited Warranty Against Corrosion:** Defines the conditions of warranty against product corrosion. Terms are listed in the **Read First** section.

Retain this manual with your records.

1. WARRANTY COVERAGE—READ FIRST

Warranty Coverage Overview

LIMITED FACTORY WARRANTY

As a world-class manufacturer of marine products, Mercury Marine knows that a great deal of its success is built upon customer satisfaction. All new Mercury outboards, sterndrives, and inboards carry an outstanding limited factory warranty. Terms of the limited factory warranty vary by product. Refer to the **Warranty Charts** for the terms for your product.

The details of the standard limited factory warranty policy are presented in **Mercury Marine Limited Warranty**.

LIMITED PROTECTION AGAINST CORROSION

All Mercury Outboards and MerCruiser sterndrives, inboards, and TowSport inboards come standard with three years of limited corrosion protection. MerCruiser SeaCore sterndrives come standard with four years of limited corrosion protection. So in even the harshest marine environment, your engine is protected.

For details, refer to **Limited Warranty Against Corrosion**.

LIMITED WARRANTY ON EMISSIONS-RELATED COMPONENTS

Most product purchased for recreational use in the U.S. receives the EPA Emissions Limited Warranty; refer to **U.S. Emission Control Warranty**. Product purchased for use in the state of California may be eligible for coverage under the **California Emissions Limited Warranty**.

INSTALLATION QUALITY CERTIFICATION

Certain boat brands, whose manufacturers have met the requirements for the Mercury Installation Quality Certification Program, carry an additional year of warranty. The program is the first of its kind in the boating industry and the only comprehensive manufacturer-installation certification system. This rigorous system identifies areas of improvement and implements resolution before the product leaves the factory.

A section of the Mercury website is designated to promote the Installation Quality Certification Program and communicate its benefits to consumers. For a current list of Mercury-powered boat brands that have earned Installation Quality Certification, visit www.mercurymarine.com/service-and-support/customer-support/warranty/.

FACTORY-BACKED COVERAGE

Mercury warranty coverage is factory-backed. Your dealer works directly with us through our local dealer or distributor. This simplifies the claim process and gets you back onto the water quicker.

NONDECLINING COVERAGE

Mercury warranty coverage is nondeclining. The warranty coverage is the same on the last day of your warranty as it is on the first, meaning coverage doesn't decline based on the age of your engine, or the number of hours you've put on it.

1. WARRANTY COVERAGE—READ FIRST

COVERAGE BEYOND THE ENGINE

This coverage may also extend to the controls and rigging components on your boat. If your builder uses genuine Mercury Precision Parts when installing the engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine. This means you could have up to an additional two years of control and rigging component coverage.

Warranty Charts and Registration

Use the following warranty charts to determine:

1. Which warranty statements apply to the product you own
2. The length of warranty coverage for the product you own

WARRANTY REGISTRATION—EMEA AND CIS

Outside EMEA and CIS, check with your local distributor.

1. You may change your address on file with Mercury Marine at any time, including at the time of a warranty claim, by calling, mailing, or faxing your name, old address, new address, and engine serial number to Mercury Marine's warranty registration department. Your dealer can also process this change of information.

Mercury Marine

Attn: Warranty Registration Department

W6250 Pioneer Road

P.O. Box 1939

Fond du Lac, WI 54936-1939

920-929-5054

Fax +1 920 907 6663

For Mercury Marine's Privacy Policy, visit www.mercurymarine.com/privacy-policy/.

NOTE: *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the EMEA and CIS should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via Extranet, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

WARRANTY CHARTS

The columns in the following charts are:

1. WARRANTY COVERAGE—READ FIRST

- **Product** - Specific product type. If you do not see your product listed in these charts, contact your authorized Mercury dealer or visit www.mercurymarine.com for the applicable type and length of coverage.
- **Std Ltd** - Length of the standard, limited factory warranty for your Product when purchased in this region. Refer to **Mercury Marine Limited Warranty**.
- **IQC** - Certain gasoline product qualifies for an additional one year of limited factory warranty when it is included as part of a boat/engine package from a certified boatbuilder.
- **Corrosion** - Most recreational-use product is warranted against corrosion for three years (four years for SeaCore product). Refer to **Limited Warranty Against Corrosion**.
- **Comm** - Some product is eligible for warranty coverage when used for light commercial applications. Such applications are usually restricted to a number of years or hours of use, whichever comes first. Other restrictions may apply.
- **Govt** - Some product is eligible for warranty coverage when purchased for government use.
- **HO** - High output. Use of the product for strictly pleasure and recreational purposes.
- **LDC** - Light-duty commercial. Any use to the product that generates income, even if only used occasionally for such purposes.

Diesel Duty-Cycle Application Definitions

HIGH-OUTPUT (RECREATIONAL USE)

A high-output rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Model	Full Power Engine Rated Speed	Cruise Speed	Maximum Hours
2.0L I4 Tier 2 (115 hp)	3000 RPM	2700 RPM	500/year
2.0L I4 Tier 3 (115 hp)	4000 RPM	3600 RPM	500/year
2.0L I4 (130,150,170 hp)	4000 RPM	3600 RPM	500/year
2.8L I4	3800 RPM	3400 RPM	500/year
3.0L V6	3500 RPM	3100 RPM	500/year
	4000 RPM	3600 RPM	500/year
4.2L I6	3800 RPM	3400 RPM	500/year
4.2L V8	4200 RPM	3800 RPM	500/year

This rating is for pleasure (noncommercial) applications.

1. WARRANTY COVERAGE—READ FIRST

LIGHT-DUTY (COMMERCIAL USE)

A light-duty commercial rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Model	Full Power Engine Rated Speed	Cruise Speed	Maximum Hours
2.0L I4 Tier 2 (115 hp)	3000 RPM	2700 RPM	500/year
2.0L I4 Tier 3 (115 hp)	4000 RPM	3600 RPM	500/year
2.0L I4 (130,150,170 hp)	4000 RPM	3600 RPM	500/year
2.8L I4 (220 hp)	3800 RPM	3400 RPM	500/year
3.0L V6 (150 hp)	3000 RPM	2600 RPM	1500/year
3.0L V6 (230 hp)	3500 RPM	3100 RPM	1500/year
	4000 RPM	3600 RPM	1000/year
3.0L V6 (260 hp)	4000 RPM	3600 RPM	1000/year
4.2L I6 (270, 320, 350 hp)	3800 RPM	3400 RPM	500/year
4.2L V8 (335 hp)	4200 RPM	3800 RPM	1500/year
4.2L V8 (370 hp)	4200 RPM	3800 RPM	1000/year

Commercial use is defined as any work or employment-related use of this product, or any use of the product that generates income, for any part of the warranty period, even if the product is only occasionally used for such purposes.

Operation of the product in excess of the light-duty commercial specifications will void the warranty.

2. MERCURY MARINE LIMITED WARRANTY

Mercury Marine Limited Warranty

IMPORTANT: This limited factory warranty applies to new Outboard, MerCruiser, Diesel, and recreational-use Racing Products purchased in the EMEA and CIS. Terms and conditions may vary in other regions of the world. Your authorized Mercury dealer should provide you with those terms and conditions at the time of purchase of your Mercury Product.

WHAT IS COVERED

Mercury Marine warrants its new Products to be free of defects in material and workmanship during the period described below.

DURATION OF COVERAGE

This Limited Warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold to a recreational use retail purchaser, or the date on which the Product is first put into service, whichever occurs first.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper reregistration of the Product. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

COMMERCIAL USE

Commercial users of these Products receive warranty coverage of one year from the date of first retail sale, or one year from the date on which the Product was first put into service, whichever occurs first. Commercial use is defined as any work or employment related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

2. MERCURY MARINE LIMITED WARRANTY

CONDITIONS THAT MUST BE MET IN ORDER TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly reregistered) may void the warranty at the sole discretion of Mercury Marine. Routine maintenance must be performed according to the maintenance schedule in the **Operation and Maintenance** manual in order to obtain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with a reasonable opportunity to repair, and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material, and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items, tune-ups, or adjustments
- Normal wear and tear
- Faded paint
- Jet pump impellers or liners
- Driveshaft bearings with water damage as a result of improper maintenance

This limited warranty also does not cover damage caused by any of the following:

- Abuse

2. MERCURY MARINE LIMITED WARRANTY

- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the **Operation and Maintenance** manual)
- Operation of the product in a manner inconsistent with the recommended operation and duty cycle (refer to the **Operation and Maintenance** manual)
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with fuels, oils, or lubricants that are not suitable for use with the product (refer to the **Operation and Maintenance** manual)
- Alteration or removal of parts
- Water entering the engine through the fuel intake, air intake, or exhaust system
- Insufficient cooling water caused by blockage of the cooling system by a foreign body, running the engine out of water, or mounting the engine too high on the transom
- Running the boat with the engine/drive trimmed out too far
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating a Mercury Outboard with a racing-type lower unit, at any point, even by a prior owner of the Product, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation or warranty regarding the Product, other than those contained in this limited warranty, and if made, shall not be enforceable against Mercury Marine.

2. MERCURY MARINE LIMITED WARRANTY

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

Transfer of Warranty

EMEA AND CIS

The limited warranty is transferable to a subsequent purchaser, but only for the remainder of the unused portion of the limited warranty. The limited warranty cannot be transferred on products used for commercial applications.

For products purchased in EMEA and CIS, contact the distributor in your country or the Service Center closest to you. You can find it easily on our Dealer Network Locator through our website.

To transfer the warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address and engine serial number to Mercury Marine's warranty registration department. For EMEA and CIS, please mail to:

Mercury Marine
Attn: Warranty Registration Department
W6250 Pioneer Road
P.O. Box 1939
Fond du Lac, WI 54936-1939
920-929-5054
Fax +1 920 907 6663

Upon processing the transfer of warranty, Mercury Marine will record the new owner's information.

There is no charge for this service.

OUTSIDE EMEA AND CIS

For products purchased outside EMEA and CIS, contact the distributor in your country or the Service Center closest to you.

2. MERCURY MARINE LIMITED WARRANTY

Additional Mercury Marine Limited Warranty Terms and Conditions for Zeus Pod Drive and Mercury Diesel 3.0L and 6.7L Product

WHAT IS COVERED

The Mercury Marine Limited Warranty for Zeus Pod Drives and Mercury Diesel 3.0L and 6.7L covers reasonable and customary expenses related to a warranty repair, including parts, labor, and travel, however, the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. If the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure and commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities.

EXTENDED MAJOR COMPONENTS LIMITED WARRANTY

The Extended Major Components Limited Warranty begins when the three-year Pleasure Use Mercury Marine Limited Warranty expires. For an additional 24 months or 1,000 hours in service, whichever occurs first, the Extended Major Components Limited Warranty covers warrantable failures of the following components:

Zeus Pod Drive Components	3.0L and 6.7L Diesel Engine Components
<ul style="list-style-type: none"> • Marine gear housing casting • Marine gear drop-box housing casting • Steering actuator housing casting • Drive midsection casting • Clamp rings • Driveshaft (U-joints excluded)* <p>Underwater impact damage excluded from:</p> <ul style="list-style-type: none"> • Lower gear housing casting • Trim tab casting • Bearing carrier casting • Intermediate shaft • Skeg 	<ul style="list-style-type: none"> • Marine gear housing casting • Cylinder block casting • Cylinder head casting • Camshaft forging • Crankshaft forging • Connecting rod forging • Flywheel housing • Timing gearcase • Timing gears
<p><i>*To qualify for coverage, the driveshaft must have been originally supplied to the boatbuilder by Mercury Marine.</i></p>	

3. LIMITED WARRANTY AGAINST CORROSION

Limited Warranty Against Corrosion (Recreational Use Only)

WHAT IS COVERED

Mercury Marine warrants that each new recreational use Product will not be rendered inoperative as a direct result of corrosion for the period of time described below.

DURATION OF COVERAGE

This limited corrosion warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold, or the date on which the Product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent (noncommercial use) purchaser upon proper reregistration of the Product.

TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

3. LIMITED WARRANTY AGAINST CORROSION

HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited Product warranty
- Replacement parts (parts purchased by the customer)
- Products used in a commercial application

Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of warranty period, even if the Product is only occasionally used for such purposes.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

MERCURY OUTBOARD DOCS - NON-RCD

Declarations of Conformity

The following Declarations of Conformity apply to engines marked with a CE Mark.

Outboard - Commercial 2-Stroke, Not RCD Compliant

Manufacturer: Mercury Marine
W6250 Pioneer Road
Fond du Lac, WI 54936-1939 USA

Authorized Representative: Brunswick Marine in EMEA Inc.
Parc Industriel de Petit-Rechain,
B-4800 Verviers, Belgium

Safety of Machinery Directive

2006/42/EC

Principles of Safety Integration (1.1.2)	ISO 12100-1; ISO 12100-2; EN 1050
Noise (1.5.8)	ICOMIA 39/94
Vibration (1.5.9)	ICOMIA 38/94

Electromagnetic Compatibility Directive

2014/30/EU

Generic emission standard	EN 61000-6-3
Generic immunity standard	EN 61000-6-1
Vehicles, boats and internal combustion engine driven devices - Radio disturbance characteristics	SAE J551 CISPR 12; EN 55012:2002/A1:2005
Electrostatic discharge testing	EN 61000-6-2; EN 61000-4-2; EN 61000-4-3

Engine type: Outboard

Fuel type: Gasoline

Combustion cycle: 2-Stroke

Engine Family	Starting Serial Number
0.262 L - 15 hp	1B000000
0.644 L - 40 hp	1B000000
0.967 L - 50 hp, 55 hp, 60 hp	1B000000
1.3 L - 75 hp, 90 hp	1B000000
3.0 L - 225 hp, 250 hp	1B000000

MERCURY OUTBOARD DOCS - NON-RCD

MERCURY DIESEL DOCS - RCD 2013/53/EU

This declaration of conformity is issued under the sole responsibility of the manufacturer. I declare on behalf of the engine manufacturer that the engine(s) will meet the exhaust emission requirements of Directive 2013/53/EU when installed in a recreational craft, in accordance with the engine manufacturer's supplied instructions and that this (these) engine(s) must not be put into service until the recreational craft into which it is (they are) to be installed has been declared in conformity with the relevant provisions of the above mentioned Directives.
