## About This Manual

Your product may be covered by several different warranty policies. This manual explains each of those warranty policies and identifies the applicability of each policy to various Mercury Marine product. Each policy is described in a separate section:

1. **Warranty Coverage—Read First:** Contains warranty registration information and charts to identify which warranty policy applies to which product and the term of coverage for that policy. This section also defines diesel duty-cycle applications as they relate to warranty coverage.
2. **Mercury Marine Limited Warranty:** Defines the conditions of Mercury Marine's Limited Warranty. Terms are listed in the **Read First** section. This section also explains how to transfer warranty coverage.
3. **Limited Warranty Against Corrosion:** Defines the conditions of warranty against product corrosion. Terms are listed in the **Read First** section.
4. **Zeus Drive Limited Warranty:** Owners of vessels equipped with Zeus drives should refer to this section for the details of warranty coverage as it relates to the drive system.
5. **6.7L Diesel Engine (Tier 1 and Tier 2) Warranty:** Owners of vessels equipped with EPA Tier 1 6.7L Diesel engines should refer to this section for the details of warranty coverage as it relates to the engine and sterndrive (if applicable).
6. **6.7L Diesel Engine (Tier 3) Warranty:** Owners of vessels equipped with EPA Tier 3 6.7L Diesel engines should refer to this section for the details of warranty coverage as it relates to the engine.

Retain this manual with your records.

# 1. WARRANTY COVERAGE—READ FIRST

## Warranty Coverage Overview

### LIMITED FACTORY WARRANTY

As a world-class manufacturer of marine products, Mercury Marine knows that a great deal of its success is built upon customer satisfaction. All new Mercury outboards, sterndrives, and inboards carry an outstanding limited factory warranty. Terms of the limited factory warranty vary by product. Refer to the **Warranty Charts** for the terms for your product.

The details of the standard limited factory warranty policy are presented in **Mercury Marine Limited Warranty**.

### LIMITED PROTECTION AGAINST CORROSION

All Mercury Outboards and MerCruiser sterndrives, inboards, and TowSport inboards come standard with three years of limited corrosion protection. MerCruiser SeaCore sterndrives come standard with four years of limited corrosion protection. So in even the harshest marine environment, your engine is protected.

For details, refer to **Limited Warranty Against Corrosion**.

### LIMITED WARRANTY ON EMISSIONS-RELATED COMPONENTS

Most product purchased for recreational use in the U.S. receives the EPA Emissions Limited Warranty; refer to **U.S. Emission Control Warranty**. Product purchased for use in the state of California may be eligible for coverage under the **California Emissions Limited Warranty**.

### INSTALLATION QUALITY CERTIFICATION

Certain boat brands, whose manufacturers have met the requirements for the Mercury Installation Quality Certification Program, carry an additional year of warranty. The program is the first of its kind in the boating industry and the only comprehensive manufacturer-installation certification system. This rigorous system identifies areas of improvement and implements resolution before the product leaves the factory.

A section of the Mercury website is designated to promote the Installation Quality Certification Program and communicate its benefits to consumers. For a current list of Mercury-powered boat brands that have earned Installation Quality Certification, visit [www.mercurymarine.com/service-and-support/customer-support/warranty/](http://www.mercurymarine.com/service-and-support/customer-support/warranty/).

### FACTORY-BACKED COVERAGE

Mercury warranty coverage is factory-backed. Your dealer works directly with us through our local dealer or distributor. This simplifies the claim process and gets you back onto the water quicker.

### NONDECLINING COVERAGE

Mercury warranty coverage is nondeclining. The warranty coverage is the same on the last day of your warranty as it is on the first, meaning coverage doesn't decline based on the age of your engine, or the number of hours you've put on it.

# 1. WARRANTY COVERAGE—READ FIRST

## COVERAGE BEYOND THE ENGINE

This coverage may also extend to the controls and rigging components on your boat. If your builder uses genuine Mercury Precision Parts when installing the engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine. This means you could have up to an additional two years of control and rigging component coverage.

## Warranty Charts and Registration

Use the following warranty charts to determine:

1. Which warranty statements apply to the product you own
2. The length of warranty coverage for the product you own

## WARRANTY REGISTRATION—EMEA AND CIS

*Outside EMEA and CIS, check with your local distributor.*

1. You may change your address on file with Mercury Marine at any time, including at the time of a warranty claim, by calling, mailing, or faxing your name, old address, new address, and engine serial number to Mercury Marine's warranty registration department. Your dealer can also process this change of information.

For Mercury Marine's Privacy Policy, visit [www.mercurymarine.com/privacy-policy/](http://www.mercurymarine.com/privacy-policy/).

**NOTE:** *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the EMEA and CIS should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via Extranet, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

## WARRANTY CHARTS

The columns in the following charts are:

# 1. WARRANTY COVERAGE—READ FIRST

- **Product** - Specific product type. If you do not see your product listed in these charts, contact your authorized Mercury dealer or visit [www.mercurymarine.com](http://www.mercurymarine.com) for the applicable type and length of coverage.
- **Std Ltd** - Length of the standard, limited factory warranty for your Product when purchased in this region. Refer to **Mercury Marine Limited Warranty**.
- **IQC** - Certain gasoline product qualifies for an additional one year of limited factory warranty when it is included as part of a boat/engine package from a certified boatbuilder.
- **Corrosion** - Most recreational-use product is warranted against corrosion for three years (four years for SeaCore product). Refer to **Limited Warranty Against Corrosion**.
- **Comm** - Some product is eligible for warranty coverage when used for light commercial applications. Such applications are usually restricted to a number of years or hours of use, whichever comes first. Other restrictions may apply.
- **Govt** - Some product is eligible for warranty coverage when purchased for government use.
- **HO** - High output. Use of the product for strictly pleasure and recreational purposes.
- **LDC** - Light-duty commercial. Any use to the product that generates income, even if only used occasionally for such purposes.

## Diesel Duty-Cycle Application Definitions

### HIGH-OUTPUT (RECREATIONAL USE)

A high-output rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Model	Full Power Engine Rated Speed	Cruise Speed	Maximum Hours
2.0L I4 Tier 2 (115 hp)	3000 RPM	2700 RPM	500/year
2.0L I4 Tier 3 (115 hp)	4000 RPM	3600 RPM	500/year
2.0L I4 (130,150,170 hp)	4000 RPM	3600 RPM	500/year
2.8L I4	3800 RPM	3400 RPM	500/year
3.0L V6	3500 RPM	3100 RPM	500/year
	4000 RPM	3600 RPM	500/year
4.2L I6	3800 RPM	3400 RPM	500/year
4.2L V8	4200 RPM	3800 RPM	500/year

This rating is for pleasure (noncommercial) applications.

### LIGHT-DUTY (COMMERCIAL USE)

A light-duty commercial rating applies to variable load applications where full power is limited to one hour out of every eight hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

2.0L I4 (130, 150, 170 hp)	4000 RPM	3600 RPM	500/year
2.8L I4 (220 hp)	3800 RPM	3400 RPM	500/year
3.0L V6 (150 hp)	3000 RPM	2600 RPM	1500/year
3.0L V6 (230 hp)	3500 RPM	3100 RPM	1500/year
	4000 RPM	3600 RPM	1000/year
3.0L V6 (260 hp)	4000 RPM	3600 RPM	1000/year
4.2L I6 (270, 320, 350 hp)	3800 RPM	3400 RPM	500/year
4.2L V8 (335 hp)	4200 RPM	3800 RPM	1500/year
4.2L V8 (370 hp)	4200 RPM	3800 RPM	1000/year

Commercial use is defined as any work or employment-related use of this product, or any use of the product that generates income, for any part of the warranty period, even if the product is only occasionally used for such purposes.

Operation of the product in excess of the light-duty commercial specifications will void the warranty.

## 2. MERCURY MARINE LIMITED WARRANTY

### Mercury Marine Limited Warranty

**IMPORTANT:** This limited factory warranty applies to new Outboard, MerCruiser, Diesel, and recreational-use Racing Products purchased in the EMEA and CIS. Terms and conditions may vary in other regions of the world. Your authorized Mercury dealer should provide you with those terms and conditions at the time of purchase of your Mercury Product.

### WHAT IS COVERED

Mercury Marine warrants its new Products to be free of defects in material and workmanship during the period described below.

### DURATION OF COVERAGE

This Limited Warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold to a recreational use retail purchaser, or the date on which the Product is first put into service, whichever occurs first.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper reregistration of the Product. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

### COMMERCIAL USE

Commercial users of these Products receive warranty coverage of one year from the date of first retail sale, or one year from the date on which the Product was first put into service, whichever occurs first. Commercial use is defined as any work or employment related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

## 2. MERCURY MARINE LIMITED WARRANTY

### CONDITIONS THAT MUST BE MET IN ORDER TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly reregistered) may void the warranty at the sole discretion of Mercury Marine. Routine maintenance must be performed according to the maintenance schedule in the **Operation and Maintenance** manual in order to obtain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

### WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

### HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with a reasonable opportunity to repair, and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material, and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items, tune-ups, or adjustments
- Normal wear and tear
- Faded paint
- Jet pump impellers or liners
- Driveshaft bearings with water damage as a result of improper maintenance

This limited warranty also does not cover damage caused by any of the following:

- Abuse

## 2. MERCURY MARINE LIMITED WARRANTY

- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the **Operation and Maintenance** manual)
- Operation of the product in a manner inconsistent with the recommended operation and duty cycle (refer to the **Operation and Maintenance** manual)
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with fuels, oils, or lubricants that are not suitable for use with the product (refer to the **Operation and Maintenance** manual)
- Alteration or removal of parts
- Water entering the engine through the fuel intake, air intake, or exhaust system
- Insufficient cooling water caused by blockage of the cooling system by a foreign body, running the engine out of water, or mounting the engine too high on the transom
- Running the boat with the engine/drive trimmed out too far
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating a Mercury Outboard with a racing-type lower unit, at any point, even by a prior owner of the Product, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation or warranty regarding the Product, other than those contained in this limited warranty, and if made, shall not be enforceable against Mercury Marine.

Fond du Lac, WI 54936-1939  
920-929-5054  
Fax +1 920 907 6663

Upon processing the transfer of warranty, Mercury Marine will record the new owner's information.

There is no charge for this service.

#### **OUTSIDE EMEA AND CIS**

For products purchased outside EMEA and CIS, contact the distributor in your country or the Service Center closest to you.

## 3. LIMITED WARRANTY AGAINST CORROSION

### Limited Warranty Against Corrosion (Recreational Use Only)

#### WHAT IS COVERED

Mercury Marine warrants that each new recreational use Product will not be rendered inoperative as a direct result of corrosion for the period of time described below.

#### DURATION OF COVERAGE

This limited corrosion warranty provides coverage for the time specified in the **Warranty Charts**. The time is measured from the date the Product is first sold, or the date on which the Product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent (noncommercial use) purchaser upon proper reregistration of the Product.

#### TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

#### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

#### WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

## 3. LIMITED WARRANTY AGAINST CORROSION

### HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited Product warranty
- Replacement parts (parts purchased by the customer)
- Products used in a commercial application

Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of warranty period, even if the Product is only occasionally used for such purposes.

#### **DISCLAIMERS AND LIMITATIONS:**

**THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.**

***NOTE:*** *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the United States should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via MercNET, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

### TRANSFER OF WARRANTY

#### EMEA and CIS

The limited warranty is transferable to a subsequent purchaser, but only for the remainder of the unused portion of the limited warranty. The limited warranty cannot be transferred on products used for commercial applications.

For products purchased in EMEA and CIS, contact the distributor in your country or the Marine Power Service Center closest to you. You can find it easily on our Dealer Network locator through our website.

To transfer the warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address, and engine serial number to Mercury Marine's warranty registration department. For EMEA and CIS, mail to:

## Zeus Drive High-Output Recreational Use Limited Warranty

### WHAT IS COVERED

Mercury Marine warrants each new Zeus drive system (Product) to be free of defects in material and workmanship during the period described following.

### DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a recreational use retail purchaser or the date the Product is first put into service, whichever occurs first. This limited warranty provides coverage for 24 months or 1000 hours of use, whichever occurs first. Commercial use of the Product voids the warranty. Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income during any part of the warranty period, even if the Product is only occasionally used for such purposes. The repair or replacement of parts, or the performance of service under this warranty does not extend the term of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper registration of the Product.

### TWO-YEAR LIMITED WARRANTY—LIMITED WARRANTY COVERAGE

This limited warranty provides coverage for 24 months or 1000 hours of use, whichever occurs first for the base drive limited warranty.

Coverage Category	Months	Hours	Parts and Labor	Travel
Base drive limited warranty	24	1000	Yes	Yes
Extended major components limited warranty	48	2000	Yes	Yes

## 4. ZEUS DRIVE LIMITED WARRANTY

### EXTENDED MAJOR COMPONENTS LIMITED WARRANTY

The extended major components limited warranty takes effect when the base drive limited warranty expires. The base drive limited warranty expires after 24 months or 1000 hours in service, whichever occurs first. For 48 months or 2000 hours in service, whichever occurs first, the extended major components limited warranty covers warrantable failures of the following drive parts or castings:

- Marine gear housing casting
- Marine gear drop-box housing casting
- Steering actuator housing casting
- Drive midsection casting
- Lower gear housing casting (underwater impact damage excluded)
- Trim tab casting (underwater impact damage excluded)
- Bearing carrier casting (underwater impact damage excluded)
- Driveshaft (U-joints excluded)

**NOTE:** *In order to qualify for coverage, the driveshaft must have been originally supplied to the boatbuilder by Mercury Marine.*

- Intermediate shaft (underwater impact damage excluded)
- Clamp rings
- Skeg (underwater impact damage excluded)

### HIGH-OUTPUT RATING

A high-output rating applies to variable load applications and requires full power to be limited to one (1) hour out of every eight (8) hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

<b>Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)</b>	<b>Cruise Speed</b>
2300 RPM	2100 RPM
2500 RPM	2300 RPM
2800 RPM	2500 RPM
3000 RPM	2700 RPM
3300 RPM	3000 RPM
3400 RPM	3100 RPM

## 4. ZEUS DRIVE LIMITED WARRANTY

### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly registered) may void the warranty at the sole discretion of Mercury Marine. Routine maintenance must be performed according to the schedule in the Operation and Maintenance manual in order to obtain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

**NOTE:** *The Product application must be reviewed and approved by Mercury Marine.*

### WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

### HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

### TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

Warranty coverage may also be terminated for any Product that was registered with inaccurate warranty registration information.

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items and adjustments
- Normal wear and tear
- Faded paint

## 4. ZEUS DRIVE LIMITED WARRANTY

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range (refer to the Operation and Maintenance manual)
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle (refer to the Operation and Maintenance manual)
- Neglect
- Accident
- Submersion
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product (refer to the Operation and Maintenance manual)
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

## 4. ZEUS DRIVE LIMITED WARRANTY

### DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

### Zeus Drive Intermittent Commercial Use Limited Warranty

#### WHAT IS COVERED

Mercury Marine warrants each new Zeus drive system (Product) to be free of defects in material and workmanship during the period as described in the following.

#### DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to an intermittent commercial use retail purchaser or the date the Product is first put into service, whichever occurs first. This limited warranty provides coverage for 24 months or 3000 hours of use, whichever occurs first. The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of the warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred.

#### INTERMITTENT COMMERCIAL RATING

Intermittent Commercial applies to variable load applications where full power is limited to two (2) hours out of every eight (8) hours of operation. Reduced power operation (out of every eight hours, the six hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

<b>Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)</b>	<b>Cruise Speed</b>
2300 RPM	2100 RPM
2500 RPM	2300 RPM
2800 RPM	2500 RPM
3000 RPM	2700 RPM
3300 RPM	3000 RPM

## 4. ZEUS DRIVE LIMITED WARRANTY

<b>Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)</b>	<b>Cruise Speed</b>
3400 RPM	3100 RPM

**Commercial use** is defined as any work or employment-related use of this Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

Operation of the Product in excess of the intermittent commercial use specifications will void the warranty.

### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is completed and documented. ### **Zeus Drive Limited Warranty Against Corrosion**

#### **WHAT IS COVERED**

Mercury Marine warrants that each new (noncommercial use) Zeus drive system (Product) will not be rendered inoperative as a direct result of corrosion for the period of time described in the following.

#### **DURATION OF COVERAGE**

This limited corrosion warranty provides coverage for 36 months or 1500 hours of use from either the date the Product is first sold, or the date on which the Product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred to a subsequent purchaser upon proper registration of the product.

#### **CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE**

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

## 4. ZEUS DRIVE LIMITED WARRANTY

### WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

### HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury Marine dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury Marine. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

### TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited product warranty
- Replacement parts (parts purchased by the customer)
- Products used in a commercial application
- Corrosion damage as a result of improper paint application (refer to the Operation and Maintenance manual for acceptable paint applications)

## 4. ZEUS DRIVE LIMITED WARRANTY

Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

- Transom assembly
- Sterndrive assembly
- Driveshaft assembly

### DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a light-duty commercial use retail purchaser or the date that the Product is first put into service, whichever occurs first. This limited warranty provides coverage for one (1) year or 500 hours of use, whichever occurs first.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

## 5. 6.7L DIESEL ENGINE (TIER 1 AND TIER 2) WARRANTY

### LIGHT-DUTY COMMERCIAL RATING

The light-duty commercial rating applies to variable load applications where full power is limited to one (1) hour out of every eight (8) hours of operation—(12.5%). Reduced power operation (out of eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM); refer to the **Full Power RPM and Cruise Rated RPM Charts**. Typical vessel applications include: sport fishing vessels, motor yachts and cruisers with any work or employment related use of the vessel or any use of the vessel that generates income, for any part of the warranty period, even if the vessel is only occasionally used for such purposes.

### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

### WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

### HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

## TERMINATION OF COVERAGE

Warranty coverage may be terminated if the Product was:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim
- Registered with incorrect information

## WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items or adjustments
- Normal wear and tear
- Faded paint
- Bearings with water damage as a result of improper maintenance

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range
- Operating the Product in a manner inconsistent with the recommended operation and duty cycle section of the Operation and Maintenance manual
- Neglect
- Accident
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Use of oils or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Running the power package without cooling water
- Mounting the sterndrive too high on the transom
- Operating the boat with the sterndrive overtrimmed
- Striking a submerged object

Use of the Product for racing or other competitive activity, or operating with a racing-type lower unit at any point, voids the warranty.

## 5. 6.7L DIESEL ENGINE (TIER 1 AND TIER 2) WARRANTY

Expenses related to haul-out, launch, towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product are not covered by this warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

### **WHAT IS COVERED**

Mercury Marine warrants each new engine package (Product) to be free of defects in material and workmanship during the period described following.

### **DURATION OF COVERAGE**

The warranty period begins on the date the Product is first sold to a commercial use retail purchaser or the date that the Product is first put into service, whichever occurs first. This limited warranty provides coverage for the time specified in the **6.7L Commercial Rating and Warranty Duration Chart**.

### **Commercial Rating and Warranty Duration Chart**

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred either to or from a commercial use customer.

## COMMERCIAL USE

Commercial use is defined as any work or employment related use of this Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

## CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers that purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is completed and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Routine maintenance outlined in the Operation and Maintenance manual must be timely performed in order to obtain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

### 6.7L Commercial Diesel Engine Duty-Cycle Application Definitions

Applies to variable load applications where full power is limited during a specified number of hours used. Reduced power operation (the amount of hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM).

#### MEDIUM CONTINUOUS DUTY

Applies to variable load applications where full power is limited to four (4) hours out of every eight (8) hours of operation—(50%). Reduced power operation (the other 4 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: planing hull ferries, fishing boats designed for high speeds to and from fishing grounds, (noncargo) displacement hull yachts, and short trip coastal freighters where engine load and speed are cyclical.

#### INTERMITTENT DUTY

Applies to variable load applications where full power is limited to two (2) hours out of every eight (8) hours of operation—(25%). Reduced power operation (the 6 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: planing hulls such as customs, military and police vessels, charter fishing and nonnet dragging fishing vessels.

#### LIGHT DUTY

Applies to variable load applications where full power is limited to one (1) hour out of every eight (8) hours of operation—(12.5%). Reduced power operation (the 7 out of 8 hours which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: sport fishing vessels, motor yachts and cruisers with any work or employment related use of the vessel or any use of the vessel that generates income, for any part of the warranty period, even if the vessel is only occasionally used for such purposes.

## 5. 6.7L DIESEL ENGINE (TIER 1 AND TIER 2) WARRANTY

### Commercial 1-Year Limited Warranty Against Corrosion

#### WHAT IS COVERED

Mercury Marine warrants that each new commercial use engine/drive package (Product) will not be rendered inoperative as a direct result of corrosion for the period of time described in the following:

#### DURATION OF COVERAGE

This limited corrosion warranty provides coverage for one (1) year from either the date the product is first sold, or the date that the product is first put into service, whichever occurs first. The repair and replacement of parts, or the performance of service under this warranty does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred. Warranty coverage may be terminated for used product repossessed from a retail customer, purchased at an auction, from a salvage yard, or from an insurance company that obtained the product as a result of an insurance claim.

#### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by the authorized dealer. Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual in order to maintain warranty coverage. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

#### WHAT MERCURY WILL DO

Mercury's sole and exclusive obligation under this warranty is limited to, at our option, repairing a corroded part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Product. Mercury reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured.

# 5. 6.7L DIESEL ENGINE (TIER 1 AND TIER 2) WARRANTY

## HOW TO OBTAIN WARRANTY COVERAGE

The customer must provide Mercury with reasonable access and opportunity to repair the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury. Mercury Marine will then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury, ship the Product or parts of the Product directly to Mercury. Proof of registered ownership must be presented to the dealer at the time warranty service is requested in order to obtain coverage.

## WHAT IS NOT COVERED

This limited warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one year limited Product warranty
- Replacement parts (parts purchased by the customer)

**NOTE:** *Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the United States should a safety recall notification under the Federal Safety Act be required.*

2. To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine via MercNET, e-mail, or mail. Upon receipt of this warranty registration, Mercury Marine will record the registration.

Warranty coverage is not effective until your Product is registered with Mercury Marine.

#### TRANSFER OF WARRANTY

##### United States and Canada

The limited warranty is transferable to a subsequent purchaser, but only for the remainder of the unused portion of the limited warranty. The limited warranty cannot be transferred on products used for commercial applications. To transfer the warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address and engine serial number to Mercury Marine's warranty registration department. In the United States and Canada, mail to:

### Mercury Diesel 6.7L 480, 500, 550 High-Output Recreational Use Limited Warranty (Inboard/Bobtail Models)

#### WHAT IS COVERED

Mercury Marine warrants each new engine package (Product), including Precision Rigged Components (Mercury branded control components) (Marine Gear and Precision Rigged Components referred to as "Product"), to be free of defects in material and workmanship during the period described following.

#### DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a recreational use retail purchaser or the date the Product is first put into service, whichever occurs first. Commercial use of the Product voids the warranty. Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income during any part of the warranty period, even if the Product is only occasionally used for such purposes. The repair or replacement of parts, or the performance of service under this warranty does not extend the term of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper registration of the Product.

#### THREE-YEAR LIMITED WARRANTY

This limited warranty provides coverage for 36 months or 1500 hours of use, whichever occurs first.

Coverage Category	Months	Hours	Parts and Labor	Travel
Three-Year Limited Warranty	36	1500	Yes	Yes
Extended Major Components Limited Warranty	24	1000	Yes	Yes

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### EXTENDED MAJOR COMPONENTS LIMITED WARRANTY

The extended major components limited warranty begins when the three-year limited warranty expires. For an additional 24 months or 1000 hours in service, whichever occurs first, the extended major components limited warranty covers warrantable failures of the following drive parts or castings:

- Marine gear housing casting
- Cylinder block casting
- Cylinder head casting
- Camshaft forging
- Crankshaft forging
- Connecting rod forging
- Flywheel housing
- Timing gearcase
- Timing gears\*\*

\*\* underwater impact excluded

### HIGH-OUTPUT RATING

A high-output rating applies to variable load applications and requires full power to be limited to one (1) hour out of every eight (8) hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed.)	Cruise Speed
3200 RPM	2900 RPM

### CONDITIONS THAT MUST BE MET IN ORDER TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly registered) may void the warranty at the sole discretion of Mercury Marine.

### PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance Manual. Maintain records of service and maintenance performed on the Mercury Marine products. **Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.**

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured. This warranty covers reasonable and customary expenses related to a warranty repair, however, the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. In the event that the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure/commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities. **Upon Warranty claim submission, Mercury Marine reserves the right to request proof of maintenance ensuring recommended care is routinely performed.**

### HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

### TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

Warranty coverage may also be terminated for any Product that was registered with inaccurate warranty registration information.

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items and adjustments
- Normal wear and tear
- Faded paint
- Expenses related to towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages
- Expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

- Cost of repairs performed outside normal working hours

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle
- Neglect
- Accident
- Submersion (of inside boat components)
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

### **DISCLAIMERS AND LIMITATIONS**

**THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.**

### **Mercury Diesel 6.7L 500, 550 High-Output Recreational Use Limited Warranty (Zeus Models)**

#### **WHAT IS COVERED**

Mercury Marine warrants each new engine package (Product), including Precision Rigged Components (Mercury branded control components) (Marine Gear and Precision Rigged Components referred to as "Product"), to be free of defects in material and workmanship during the period described following.

#### **DURATION OF COVERAGE**

The warranty period begins on the date the Product is first sold to a recreational use retail purchaser or the date the Product is first put into service, whichever occurs first. Commercial use of the Product voids the warranty. Commercial use is defined as any work or employment-related use of the Product, or any use of the Product that generates income during any part of the warranty period, even if the Product is only occasionally used for such purposes. The repair or replacement of parts, or the performance of service under this warranty does not extend the term of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one recreational use customer to a subsequent recreational use customer upon proper registration of the Product.

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### THREE-YEAR LIMITED WARRANTY

This limited warranty provides coverage for 36 months or 1500 hours of use, whichever occurs first.

- Bearing carrier casting \*\*\*
- Driveshaft (U-joints excluded)
- Intermediate shaft \*\*\*
- Clamp rings
- Skeg\*\*\*

\*\*\*underwater impact damage excluded

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### HIGH-OUTPUT RATING

A high-output rating applies to variable load applications and requires full power to be limited to one (1) hour out of every eight (8) hours of operation. Reduced-power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM):

Full Power Engine Rated Speed (Full power is defined as an RPM that exceeds cruise speed)	Cruise Speed
3200 RPM	2900 RPM

### CONDITIONS THAT MUST BE MET IN ORDER TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is complete and documented. Inaccurate warranty registration information regarding recreational use, or subsequent change of use from recreational to commercial (unless properly registered) may void the warranty at the sole discretion of Mercury Marine.

### PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance Manual. Maintain records of service and maintenance performed on the Mercury Marine products. **Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.**

### WHAT MERCURY WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at our option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify products from time to time without assuming an obligation to modify products previously manufactured. This warranty covers reasonable and customary expenses related to a warranty repair, however, the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. In the event that the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure/commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities. **Upon Warranty claim submission, Mercury Marine reserves the right to request proof of maintenance ensuring recommended care is routinely performed.**

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

### TERMINATION OF COVERAGE

Warranty coverage may be terminated for used Product:

- Repossessed from a retail customer
- Purchased at an auction
- Purchased from a salvage yard
- Purchased from an insurance company that obtained the Product as a result of an insurance claim

Warranty coverage may also be terminated for any Product that was registered with inaccurate warranty registration information.

### WHAT IS NOT COVERED

This limited warranty does not cover:

- Routine maintenance items and adjustments
- Normal wear and tear
- Faded paint
- Expenses related to towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages
- Expenses associated with the removal or replacement of boat partitions or other material in order to gain access to the Product
- Cost of repairs performed outside normal working hours

This limited warranty also does not cover damage caused by any of the following:

- Abuse
- Abnormal use
- Use of a propeller or gear ratio that does not allow the engine to run in its recommended RPM range
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle
- Neglect
- Accident
- Submersion (of inside boat components)
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

- Improper service
- Use of an accessory or part that was not manufactured or sold by Mercury Marine
- Operation with oils or lubricants that are not suitable for use with the Product
- Alteration or removal of parts
- Insufficient cooling water caused by blockage of the cooling system by a foreign body

Use of the Product for racing or other competitive activity, even by a previous owner of the Product, voids the warranty.

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation, or warranty regarding the Product, other than those contained in this limited warranty. If such affirmation, representation, or warranty is made, it shall not be enforceable against Mercury Marine.

### **DISCLAIMERS AND LIMITATIONS**

**THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. ### **Mercury Diesel 6.7L 500, 550 Light Duty Commercial Use Limited Warranty (Zeus Models)**

#### **WHAT IS COVERED**

Mercury Marine warrants each new engine package (Product), including Precision Rigged Components (Mercury branded control components) (Marine gear and Precision Rigged Components referred to as "Product"), to be free of defects in material and workmanship during the period described following.

## 6. 6.7L DIESEL ENGINE (TIER 3) WARRANTY

### DURATION OF COVERAGE

The warranty period begins on the date the Product is first sold to a light duty commercial use retail purchaser or the date the Product is first put into service, whichever occurs first. This limited warranty provides coverage for 12 months or 1500 hours of use, whichever occurs first. The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of the warranty beyond its original expiration date. Unexpired warranty coverage cannot be transferred.

### LIGHT DUTY COMMERCIAL RATING

Light Duty Commercial applies to variable load applications where full power is limited to two (1) hour out of every eight (8) hours of operation. Reduced power operation (out of every eight hours, the seven hours in which the engine is not operated at full power) must be at or below cruise speed. Cruise speed is dependent on the engine's maximum engine rated speed (RPM). Typical vessel applications include: sport fishing vessels, motor yachts, and cruisers.

<b>Full Power Engine Rated Speed</b> (Full power is defined as an RPM that exceeds cruise speed.)	<b>Cruise Speed</b>
3200 RPM	2900 RPM

**Commercial use** is defined as any work or employment-related use of this Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes. Operation of the Product in excess of the light duty commercial use specifications will void the warranty.

### CONDITIONS THAT MUST BE MET TO OBTAIN WARRANTY COVERAGE

Warranty coverage is available only to retail customers who purchase the Product from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine-specified predelivery inspection process is completed and documented. Routine maintenance must be performed according to the schedule in the Operation and Maintenance manual in order to obtain warranty coverage. Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.

### PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance Manual. Maintain records of service and maintenance performed on the Mercury Marine products. **Mercury Marine reserves the right to make any warranty coverage contingent upon proof of proper maintenance.**

This warranty covers reasonable and customary expenses related to a warranty repair, however the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. In the event that the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure/commercial-use is limited to 250 miles and 5 hours per warranty event. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities. **Upon Warranty claim submission, Mercury Marine reserves the right to request proof of maintenance ensuring recommended care is routinely performed.**

### HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine.

### TERMINATION OF COVERAGE
